

Dr. NILESH JOSHI'S SPECIALITY DENTAL CLINIC

Dear Patients,

- Warm greetings from all of us at Speciality Dental Clinic..
- With the worldwide pandemic of COVID-19, we all have to take due precautions for our safety.
- **Here at SPECIALITY DENTAL CLINIC, YOUR SAFETY IS OUR PRIORITY!!**
- So, we are **upgrading ourselves, to face this situation** to our best.
- We request you to follow the instructions to keep us all safe..
- This will be the NEW NORMAL NOW ON...

Thank you!!

OUR NEW PROTOCOL FOR THE CLINIC:

- **Patients will be checked and/or treated **only on prior appointment** to maintain social distancing norms.**
- **Walk in patients will not allowed till the pandemic ends.**
- **We have developed all our **protocols to prevent any infection or its spread.****
- **We have procured the necessary equipments/ materials to keep our clinic free from spread of infections.**
- **All appointments at our clinic will be adequately spaced out, to allow optimum disinfection and sanitization measures.**

Thank you!!

Dr. Nilesh Joshi

INSTRUCTIONS FOR PATIENTS

- 1. If you have an appointment at the clinic, it would be preferred that you come to the clinic, directly from home, and do not stop at public / crowded places eg market, bank etc.**
- 2. Patients should visit the clinic preferably unaccompanied, exceptions being minors/old/handicapped patients, who need help.**
- 3. You have to wear a clean, washed mask when you visit the clinic. Remove your mask only when instructed to.**
- 4. A brief medical/ travel history will be taken. If you have any COVID related symptoms please tell us in advance. We can reschedule your treatment.**
- 5. As you reach the clinic, your temperature will be checked by a Digital Thermal scanner. If your temperature is higher than normal, your treatment will be deferred.**
- 6. This will be followed by dispensing of hand sanitizer to you.**
- 7. You will be required to sign the consent forms.**
- 8. Foot covers will be given to you, please keep wearing it till you leave clinic.**
- 9. When you are seated in the dental chair, you will be given an antiseptic mouth wash to rinse your mouth. This will be followed by your check up/treatment.**
- 10. While leaving from clinic dispose off shoe cover and sanitize hands.**
- 11. Kindly make online payment by card, UPI or BHIM app, avoid cash transactions.**

We are confident that if above all protocols, “the new normal” are followed, we all will be safe.

So. Together lets face this challenging situation and win the battle !!

STAY SAFE AND STAY HEALTHY !!
